

This License Agreement is a legal contract between you and Talbot Type. When you purchase a font, you are purchasing the right to use that font under a particular set of conditions. It is important that you read and understand this Agreement because it defines your rights, the acceptable uses of Talbot Type Fonts, and the rights Talbot Type reserves. If you believe your usage or need is not addressed, or if you are unsure of any section's meaning, please ask Talbot Type before you make a purchase.

Once you download and/or install and/or use the Talbot Type Fonts, you are confirming you understand and agree to the terms of this Agreement, and that you have the authority to bind the person or entity specified on your sales receipt to the terms of this Agreement. Upon payment in full, Talbot Type grants to you a non-exclusive, non-assignable, non-transferable license (subject to all of the terms and conditions of the Agreement) to (a) embed the Font Software into an Electronic Publication, including an Electronic Publication that is a Commercial Product, in a secure manner which does not allow an End User to access the Font Software outside of an Electronic Publication, and (b) distribute worldwide.

1 Definitions

1.1

1.2

1.4
"End User(s)" means the individual or entity which downloads or accesses an Electronic Publication to run on a hardware device.

1.5
"Font Software" means software or instructions which, when used on an appropriate device or devices, generates typeface and typographic designs and ornaments. Font Software shall include all bitmap representations of typeface and typographic designs and ornaments created by or derived from the Font Software. Font Software includes upgrades or updates (each of which may be provided to you by Talbot Type in its sole discretion), related files, permitted modifications, permitted copies, and related documentation.

1.6
"Issue" means a specific version of an Electronic Publication that is offered for sale or put into circulation at a specific time.

1.7

2 Restrictions on Use

2.1
The maximum number of separate and distinct Electronic Publications into which the Font Software may be embedded may not exceed the number of Electronic Publications you indicated in your purchase at www.talbottype.co.uk when licensing the Font Software.

2.2
For avoidance of doubt, each Issue of an Electronic Publication counts as a separate Electronic Publication, however regional or format variations of each Issue of an Electronic Publication shall not count as a separate Issue.

2.3
The Font Software must be embedded within a file format that protects the Font Software by means of encryption or obfuscation. Formats that meet these criteria include, but are not limited to, PDF, EPUB 2.01, EPUB 3, and KF8. The Electronic Publication must be a non-executable file which is displayed by e-reader software or on e-reader devices. Font Software may not be installed in the operating system on which the Electronic Publication runs.

2.4
You agree that you will take no action which will have the direct or indirect effect of causing the Font Software thereof to become Publicly Available Software or otherwise be subject to a Publicly Available Software agreement.

3 Alterations to the Font Software

You may not alter the Font Software for the purpose of adding any functionality that such Font Software did not have when delivered to you by Talbot Type. If the Font Software contains embedding bits that indicate that the Font Software is only authorised for certain purposes, you may not change or alter the embedding bits.

4 Transfer of the Font Software

You may not rent, lease, sublicense, give, lend, or further distribute the Font Software, or any copy thereof. If you are a business or organisation, you agree that in case of a reasonable doubt with regard to the proper use of the Font Software within your organisation, upon request from Talbot Type, you will within thirty (30) days fully document and certify that use of any and all Font Software at the time of the request is in conformity with your valid licenses from Talbot Type.

You may not copy the Font Software, except as expressly provided herein. You may make a reasonable number of back-up copies of the Font Software for archival purposes only, and you shall retain exclusive custody and control over such copies. Any copies that you are expressly permitted to make pursuant to the Agreement must contain the same copyright, trademark,

and other proprietary notices that appear on or in the Font Software. Upon termination of the Agreement, you must destroy the original and any and all copies of the Font Software.

Well done if you've read all of the above, which can appear intimidating and complicated in places. So may I take the opportunity to state that, I consider myself to be an entirely reasonable person, and will endeavour to act reasonably at all times.

Thank you.
